DINING ROOM UPGRADE

The Sheldon Dining Room has been at the heart of life for every Sancta student since it was first built. Memories of Formal Dinners or every day catch ups would be close to every student who has ever attended the College. As the College expands in 2014, we are undertaking an upgrade of the kitchen and servery area. We need more tables and chairs. Currently we use trestle tables and stackable chairs for Formal Dinners as we do not have sufficient timber tables and chairs. Our other pressing need is for the reupholstery of the chairs at High Table, which are done in a pea green velvet. We hope that our alumni, parents and friends can assist us to equip the Dining Room to suit the needs of our growing community.

Ways you can help us improve the Sheldon Dining Room:

1. Support the College to purchase a table and 8 chairs – $2,500 investment. Your name or an appropriate dedication will be added to an engraved disk on the table.
   Why not get together with a group of your Fresher friends to support the College and name a table in your honour?

2. Support the College to reupholster one of 14 chairs on High Table – $500 investment per chair. Your name or an appropriate dedication will be added to an engraved disk on the chair.
   Were you a member of the House Committee? Why not call some other committee members and join one another to help support Sancta’s future leaders?
