

SANCTA
SOPHIA COLLEGE
Walk in Wisdom

Dear Departing Resident,

SECURITY FEE ADVICE FOR DEPARTING RESIDENTS

Whether you have been part of our College community for a semester or for a number of years I hope you have found your time here enriching, meeting, if not surpassing, your initial expectations of what college life might offer you. I am sure you would agree with me that living at Sancta Transforms University from classroom learning into a far deeper and holistic experience. The 24/7 university life gives you the chance to develop all facets of yourself: academic, cultural, social, sporting and spiritual.

Certainly, students who have walked these corridors before you attest to the intensity of their time at college. They speak of their college friendships standing the test of time; their networks across all faculties opening doors years later in their careers; and the diversity of people they lived with, challenging their ideas and opening their minds to new ways of thinking. It is my wish that life after Sancta affords you similar experiences.

As you are aware, the College works hard to keep fees affordable for all students. Why? We want to ensure that Sancta remains diverse in its student body, a place where talented students have the chance to live, no matter their financial circumstances. By keeping fees to a minimum and not receiving any government or institutional assistance, we rely on our Alumni and Friends to fund scholarships and other works. **They do so because they want to give others the chances they had.**

Today I ask you to give back so that others may also have the privilege of calling Sancta *home*.

How? By donating part of or your entire Security Fee to Sancta Sophia College. This would be a **tax deductible donation**.

You may choose how you would like the College to use your gift. Most people choose one of the following:

- The Sancta Sophia College Scholarship & Bursaries Fund for exceptional or needy students; or
- Principal's Priorities – to be allocated to programs or improvements in the College to the benefit of all students.

Please complete the enclosed form and return to the College; see the form for details.

Your gift to Sancta will help us to enhance collegiate life for those who walk the same corridors as you for many years to come.

Yours sincerely,

Dr Marie Leech, Principal
