Dear Departing Resident

RE: SECURITY FEE ADVICE

Whether you have been part of the Sancta community for a semester or for a number of years, I hope you have found your time here enriching and enjoyable.

Please know that you have the warmest wishes of the entire staff team for your future. Please stay in touch with us and let us know how you are going.

If you don't mind indulging us one more time...

Whilst Sancta works hard to keep fees as low as possible, it remains out of reach for many. Many within our community experience financial difficulty during their time with us. We attempt to assist these students where we can, but we have to rely on our alumni and friends to fund our scholarships and bursaries. With no reliance on government or institutional assistance, we also benefit from the alumni community generosity to maintain and improve our grounds, buildings and student programs.

I am hoping you will consider supporting Sancta to enable others to call Sancta home.

There are many ways to do this, either now or in the future.

One way you can support us is in donating part or the whole of your Security Fee to Sancta Sophia College. This would be a tax deductible donation.

Today, I ask for your help so that others may also have the privilege of calling Sancta *home*.

Yours sincerely

Fiona Hastings
Principal
