

SANCTA
SOPHIA COLLEGE
WITHIN THE UNIVERSITY OF SYDNEY
Walk in Wisdom

Thursday 21 March 2019

Dear Students,

I am aware that an event is being promoted by students of another College at a greyhound racing event at Wentworth Park tomorrow evening.

Many of you would be aware of the negative publicity that this industry has been subject to in recent years, revealing substantial cruelty to many of the dogs involved in racing, and to the dogs bred and then 'discarded' because they are not fit to race. Furthermore, greyhound racing, by its nature, is reliant on the promotion of gambling. The event tomorrow night is a tacit endorsement of these things.

Please be aware that Sancta does not support, and is indeed strongly opposed to this event, and we ask you not to attend.

Fiona Hastings
