## AGREEMENT WITH COLLEGE 2020

I accept admission to Sancta Sophia College. I undertake to comply with the requirements for conduct of students admitted to membership of the College as set out in the Student Code of Conduct and related policies (each as amended by the College from time to time).

I agree that I will be enrolled in full time tertiary study at the University of Sydney or other partner university during my residency at Sancta Sophia College, and I acknowledge that I must have approval from the Principal or Vice-Principal if my enrolment status is different or changes.

I give permission for my academic results to be made available to the College.

I agree to participate in College life, in particular Formal Dinners and Special Dinners/Events, as outlined in the Walk in Wisdom Guide.

I agree to pay \$1,450, being the Enrolment Fee of \$450.00 and a Security Fee of \$1,000.00 to accept my offer of residency, by the acceptance date specified on the letter of offer, and acknowledge that I will not be able to move into College until this amount has been paid. I acknowledge that a maximum of \$500 from the Security Fee is refundable, subject to satisfactory inspection of my room on my departure. The remainder is retained as membership of the Alumni Association (\$100) and allocated to the Building Fund (\$400).

I accept the fees outlined in the 2020 Fee Schedule. I acknowledge that I am obliged to pay fees for the full period of my agreement as per my letter of offer, and that, if I do not, I will be required to pay any losses and/or costs incurred by the College until my room is re-occupied (as outlined in the Residential Commitment of the Walk in Wisdom Guide).

I agree to pay the account for fees which will be rendered prior to the commencement of each semester by one of the methods outlined in the Fee Schedule and within the time period specified for payment.

I agree to accept the allocated room, its key and its contents as delivered upon my arrival in College and agree that any change in the condition of the room and its contents or failure to return its key at the time of my departure from College will result in the forfeiture in part or in full of the Security Fee. I agree to update my details regularly via the Student Portal, and agree to inform College Staff promptly of any change of circumstance that could affect my study and/or residency.

I acknowledge that I may be required to provide evidence from a medical doctor of my medical fitness to reside within the College, and that in the absence of this evidence, the College may suspend or terminate my residency.

I acknowledge that the College reserves the right to refuse re-admission in 2021.

I acknowledge that this Agreement sets out the terms on which I have been admitted to Sancta Sophia College for the 2020 academic year. This agreement supersedes any other documents which I have signed in the past relating to residence at Sancta Sophia College.
